Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Why should anyone read this? There would be four more, and he'd begin a forty-year career in the women's retail business, going to the top although secretly colorblind in this vibrantly color-sensitive world. Very early in that career, he called his father and asked him for his blessing on his marriage and his first-born. "You're dead to me," he was told,...
